Our Managing Director Mr. Ravi S. Kalra recently went and stayed at the hotel for 02 nights to sample the product. We quote from his notes:

“You cannot walk to the Golden Temple; you will have to drive which is a good 15 minutes drive. The entrance and lobby is quite impressive with fountains and small waterfall. The rooms have got all the modern gadgetry and comforts. The showers work with good pressure, No bathtubs, Room size is quite comfortable with LCD screens and hi- speed wi-fi. The hotel is located next to an upcoming mall which has good shopping and restaurants”.
